NOTICE.

For Medical Practitioners, Druggists and Chemists.

IN consequence of the spread of the morphia habi in Rangoon, action has recently been taken by the Government of Burma to restrict dealings in the drug in that province. The result of the action is that the drug may now be imported otherwise than by Government by the following persons only:—

(a) A medical practitioner, if the morphia is produced out of India and is imported by sea. A medical practitioner is defined as a person who has been registered under the English Medical Act or who has received a medical diploma from an Indian University and practices medicine according to European methods.

(b) Any pharmacist duly authorised by the Financial Commissioner of Burma to import morphia in such quantities and on such conditions as the Financial Commissioner may prescribe. A pharmacist is defined as a person who deals in European medicines and drugs as a means of livelihood and who has been licensed to sell morphia retail.

It has been decided for the present to grant only one license for import by a pharmacist, namely, to the firm of Messrs. E H. deSouza and Company, Rangoon, and to limit the quantity of morphia which can be imported by them at one time to 100 oz.

As there is some reason to fear that chemists and druggists in Calcutta may send consignments of morphia to Burma in ignorance of the regulations mentioned above, this notice has been issued to make the regulations known to them.
